Cancellation of Enrolment

Money back guarantee

New participants (people who have never been enrolled in an EKGA program) who cancel enrollment within the first 30 days of first class attended will be eligible to request a refund for the unused portion of the tuition. We are not obliged by law to give any refund in this situation. This is offered as a courtesy to new participants.

Cancelling an enrolment

No refunds or credits will be given for cancelling an enrolment once a booking is confirmed. Once a booking has been made, you have paid for a position in the class for the duration of the term, regardless of attendance. If you have opted to pay via the Direct Debit option you can cancel your enrolment with 14 days notice, and you can continue attending during that time. Requests may be made in writing, verbally or via the online submission form on the website. It is preferred that requests are made using the online submission form on our website.

Situations where EKGA may provide you with a refund:

- **Refunds are only possible when an enrolment is being cancelled due to illness/injury.** We are not obliged by law to give any refund in this situation. However, we will provide a credit to the value of the missed classes (or a refund) if the request is accompanied by a medical certificate stating the child was unfit to attend school / gymnastics. Medical certificates must be submitted no later than 30 days from the day of the first absence. Requests received after this time will not be considered.
- **Special circumstances:** We are not obliged by law to give any refund in this situation. Special circumstance may be (however, are not limited too) unforeseen circumstances such as: death or serious illness in the family, changes to custody of the children, loss of job, relocation, etc. Special circumstances **are not:** change of mind, change in student / family timetable, school commitments etc. Refunds for special circumstances need to be requested in writing (with the appropriate documentation) and will be referred to the manager for consideration. If EKGA does offer to provide a refund for special circumstances an admin fee of up to 25% of the term fee will be charged.
- **Cancellation of enrolment at EKGA's request:** If the club discontinues a class, removes a participant from a class (or from EKGA), changes the day or time, etc, the participant will be given a pro rata adjusted credit or refund for the balance of fees.
- **Cancellation of class by EKGA due to Exceptional Circumstances:** If a class is cancelled by EKGA (staff absence, etc.), a substitute class will be offered to participants. If the substitute class cannot be held, a pro rata adjusted credit of term fees will be made to your account.
